

on assessment, and subsequent determinations are to be recorded in the enrollee's IDP, to become a part of each enrollee's permanent record.

(h) *Recent assessments.* Assessments of an enrollee, prepared by another employment or training program (such as a program under the JTPA or the Carl D. Perkins Vocational and Applied Technology Act) may be substituted for one prepared by the grantee or subgrantee if the training program prepared the assessment within the last year prior to applying for SCSEP. [section 502(b)(1)(M) of the OAA.]

§ 641.310 Community service assignments.

(a) *Assignment to community service.* After the completion of an enrollee's orientation and initial training, if any, the grantee or subgrantee shall refer the enrollee, as soon as possible, to a useful part-time community service assignment, if appropriate, according to the IDP.

(1) Each enrollee shall be placed in a community service assignment which contributes to the general welfare of the community and provides services related to publicly-owned and operated facilities and projects, or projects sponsored by organizations other than political parties, exempt from taxation under the provisions of section 501(c)(3) of the Internal Revenue Code of 1986. Project sponsors may provide enrollees with opportunities to assist in the administration of the SCSEP.

(2) The enrollee shall not be assigned to work involving the construction, operation, or maintenance of any facility used or to be used as a place for sectarian religious instruction or worship, or to work which primarily benefits private, profit-making organizations. [Sections 502(b)(1)(A), (C), and (D) and 507(2) of the OAA.]

(b) *Hours of community service assignments.* (1) Each enrollee's community service assignment shall not exceed 1,300 hours during a 12-month period specified in the grantee's agreement. The 1,300 hours includes paid hours of orientation, training, sick leave, and vacation and hours of enrollment provided by all grantees and subgrantees. No enrollee shall be paid for more than

1,300 hours in any 12-month period. [Section 508(a)(2) of the OAA.]

(2) The grantee or subgrantee shall not require an enrollee to participate more than 20 hours during one week; however, hours may be extended with the consent of the enrollee.

(3) The grantee or subgrantee shall not offer an enrollee an average of fewer than 20 hours of paid participation per week. Shorter periods may be authorized by the grant agreement, in writing by the Department, or by written agreement between an enrollee and a grantee or subgrantee. [Section 508(a)(2) of the OAA.]

(4) The grantee or subgrantee shall, to the extent possible, ensure that the enrollee works during normal business hours, if the enrollee so desires.

(c) *Location.* The enrollee shall be employed at work sites in or near the community where the enrollee resides. [Section 502(b)(1)(B) of the OAA.]

(d) *Working conditions for enrollees.* Enrollees shall not be permitted to work in a building or surroundings or under conditions which are unsanitary, hazardous, or dangerous to the enrollees' health or safety. The grantee or subgrantee shall make periodic visits to the enrollees' work site(s) to assure that the working conditions and treatment of the enrollee are consistent with the OAA and this part. [Section 502(b)(1)(J) of the OAA.]

§ 641.311 Enrollee wages and fringe benefits.

(a) *Wages.* Upon engaging in part-time community service assignments, including orientation and training in preparation for community service assignments, each enrollee shall receive wages at a rate no less than the highest applicable rate:

(1) The minimum wage which would be applicable to the enrollee under the Fair Labor Standards Act of 1938;

(2) The State or local minimum wage for the most nearly comparable covered employment; or

(3) The prevailing rates of pay for persons employed in similar public occupations by the same employer.

(b) *Fringe benefits.* (1) *The grantee or subgrantee shall ensure that enrollees receive all fringe benefits required by law.*

(2) Within a project or subproject, fringe benefits shall be provided uniformly to all enrollees, unless the Department agrees to waive this provision due to a determination that such a waiver is in the best interests of applicants, enrollees, and the project administration.

(3) *Physical examination.* (i) Each enrollee shall be offered the opportunity to take a physical examination annually. A physical is a fringe benefit, and is not an eligibility criterion. The examining physician shall provide, to the enrollee only, a written report of the results of the examination. The enrollee may, at his or her option, provide the grantee or subgrantee a copy of the report. The results of the physical examination shall not be taken into consideration in determining placement into a community service assignment.

(ii) An enrollee may refuse the physical examination offered. In such a case, the grantee or subgrantee should document this refusal, through a signed waiver or other means, within 60 work days after commencement of the community service assignment. Thereafter, grantees or subgrantees shall document an enrollee's refusal of the annual physical examination.

(c) *Retirement.* Expenditures of grant funds for contributions into a retirement system or plan are prohibited, unless the grantee has documentation on hand showing that:

(1) The costs are allowable under the appropriate cost principles indicated at § 641.403(b); and

(2) Such contributions bear a reasonable relationship to the cost of providing such benefits to enrollees because:

(i) the benefits vest at the time contributions are made on behalf of the enrollees; or

(ii) the charges to SCSEP funds are for contributions on behalf of enrollees to a "defined benefit" type of plan which do not exceed the amounts reasonably necessary to provide the specified benefit to enrollees, as determined under a separate actuarial determination.

(d) *Workers' compensation.* Where an enrollee is not covered by the State workers' compensation law, the grant-

ee or subgrantee shall provide the enrollee with workers' compensation benefits equal to that provided by law for covered employment. [Section 504(b) of the OAA.]

(e) *Unemployment compensation.* The grantee is authorized to pay the cost of unemployment insurance for covered enrollees, where required by law. [Section 502(b)(1)(O) of the OAA.]

§ 641.312 Enrollee supportive services.

(a) The grantee or subgrantee shall provide supportive services designed to assist the enrollee in participating successfully in community service assignments and, where appropriate, to prepare and assist the enrollee in obtaining unsubsidized employment. To the extent feasible, the grantee or subgrantee shall utilize supportive services available from other titles of the OAA, particularly those administered by area agencies on aging and other funding sources.

(b) Supportive services may include, but need not be limited to, all or some of the following:

(1) Counseling or instruction designed to assist the enrollee to participate successfully in community service assignments or to obtain unsubsidized employment.

(2) Counseling designed to assist the enrollee personally in areas such as health, nutrition, social security benefits, Medicare benefits, and retirement laws.

(3) Incidentals, including, but not limited to: work shoes, badges, uniforms, safety glasses, eyeglasses, and hand tools, may be provided if necessary for successful participation in community service assignments and if not available from other sources.

(4) Periodic meetings on topics of general interest, including matters related to health, job seeking skills, safety, and consumer affairs.

(5) *Enrollee transportation.* (i) Enrollee transportation may be paid if transportation from other sources at no cost to the project is unavailable and such unavailability is documented. When authorized in the grant agreement, transportation may be provided for enrollees from home to work, to training or to supportive services. [Section 502(b)(1)(L) of the OAA.]
